Invitation

Dear Attendees,

Conference Series welcomes you to attend the **18th Annual Pharmaceutical And Chemical Analysis Congress**, which is going to be held in **Madrid, Spain** during **November 05-06, 2018**.

We cordially invite all the participants who are interested in sharing their knowledge and research in the arena of Pharma Analysis.

Pharma analysis 2018 conference features highly enlightening and interactive sessions to encourage the exchange of ideas across a wide range of disciplines in the field of Analytical Chemistry. The conference includes explicit keynote talks from distinguished scientists, plenary sessions, Poster competition, and Young Researcher sessions, Symposiums, Workshop and Exhibitions. The conference highlights the theme “Pioneering Expansion in the World of Pharmaceutical Chemical Analysis” covering all important aspects in Pharma Analytical Research and emerging technologies.

As the premier event, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts.

Life is full of give and take. Make it count in your professional life. Attend the Pharma Analysis Conference to network with your peers, exchange expertise and experiences, and arm yourself with the latest information to take your department to the next level.

We look forward to personally welcoming you to Madrid, Spain this November.

Regards,

Pharma Analysis 2018

- 21 Day Rapid Review Process
- 50000+ Editorial Board Team, 35000+ Reviewers team
- 30 Million Readers and High Visibility
- 1000+ Scientific Associations Collaborations
- 100000+  Likes
- Publication immediately after acceptance
- Quality and Quick editorial, review processing

Salient Features

- Easy to Submit and Review Systems
- High Quality and Fast Publishing Guaranteed
- Unbiased, quality-oriented, and transparent reviews
- Truly impartial recognition of the best papers
- Feedback on the impact of every article
- Enhanced feature: Audio version of published paper
- Digital articles to share and explore
- Sharing option: Social networking enabled
- Authors, reviewers and editors are provided with scientific credits
- User friendly/feasible website articles translations across more than 50 world languages

Our International Scientific Conferences

- More than 3000 Conferences happening across the globe
- Conferences organized in Medical, Pharma, Engineering, Science, Technology and Business.
- CME/CPD Accredited Conferences fostering professional and Personal development
- Continuum of education through organized scientific program
- Renowned speakers and scientists representing from 40 countries
- Highly Interactive sessions and Panel Discussions
- B2B Meetings offers perfect platform for Global Networking

Salient Features

- Robust on-line publicity for all the speakers and organizing committee members
- Career Guidance Workshops for students and early career researchers
- Accepted Abstracts will be published in various indexed journals
- Accepted abstracts will be labeled with a Digital Object Identification Number (DOI) provided by Cross Ref
- Creation of speakers and abstracts pages in Google
- Opportunity to publish full Manuscripts in our Open Access Journals

Special Issues : All accepted abstracts will be

published irrespective Conference Series llc LTD Journals

Each abstract will be provided with digital Object Identifier by

About Us

Pharma Analysis 2018

About Conference

Pharma Analysis 2018 emphasizing on recent areas of more optimized research techniques like experimental design, Chemo metrics, chromatography, electrophoresis, GLP And GMP Method Development, Validation And Remediation, Qualitative and Quantitative analysis and also in forensics, medicine, Physical Characterization Techniques for Pharmaceuticals, Tracer Analysis In Molecular Pharmacology and also in Analysis Of Traditional Medicine.

Pharma Analysis 2018 salient features

- Meet Academia and Industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, Benchmarking and Networking offered at one place
- Forge connections and for global networking
- Highly Organized and Structured Scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

How Conference Series Conferences differs from others?

- 3000+ Conferences across the globe in 30+ countries all through the year
- Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
- Participation by stalwarts from various international societies
- Internationally renowned speakers and scientists representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking

Goals

- The conference program emphasizes evidence-based practice, educational innovation, practical application, and peer to peer networking and collaboration. The goals of the conference is to provide a transformative professional development experience through
- Bringing together the world's scientific experts to catalyze and advance scientific knowledge about Pharma Analysis present the most recent research findings, and promote and enhance scientific collaborations around the world.
- Bringing together community leaders, scientists, and policy leaders to promote and enhance programmatic collaborations to more effectively address regional, national and local responses to Elderly Population around the world and overcome barriers that limit access to care and services.

About Conference

Objectives

After participating in this meeting, attendees should be able to

- Discuss emerging issues in Analytical chemistry, Analytical Research And Development
- Discuss and apply recent research findings related to Analytical Research And Development
- Reflect on the place of critical distance in Analytical Chemistry

Who should attend

18th Annual Pharmaceutical Chemical Analysis Congress is a 2 day international conference anticipates participants, renowned speakers and eminent delegates across the globe to be attending the conference to share their valuable presentation and galvanize the scientific community. Scientific people from all over the globe focused on learning about emerging technologies about Pharma Analysis. This is a best globalised opportunity to reach the largest assemblage of participants from the scientific community and research.

About hosting organization

Conference Series is the world's leading specialist in organizing Academic, Scientific and Business conferences, meetings, symposiums and exhibitions in different verticals and horizontal like Medical, Pharma, Engineering, Science, Technology and Business to promote scientific research. Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ Scientific Societies. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by 

Major Sessions

- Analytical Chemistry
- Pharmaceutical Chemistry
- Analytical Method Development and Validation
- Drug Discovery and Development
- Modern Pharmaceutical Analysis
- Pharmaceutical Nanotechnology
- Chromatography & Separation Techniques
- Chemical Imaging
- Drug Analysis
- GLP and GMP Method Development, Validation and Remediation
- Pharmaceutical and Biomedical Analysis
- Forensic Analysis
- Food Analysis
- Pharmaceutical Technology And Development
- Pharmaceutical Analysis Errors
- Biopharmaceutical Research & Development Process
- Pharmaceutical Microbiology
- Quality Control and Methods of Biotech Drug
- Biosensors in Analytical Chemistry
- Pharmaceutical Chemical Engineering
